HISTORY OF OUR COMPANY

About Us

Established in 2013, our company began its journey as a humble local packaging business specializing in sweet boxes, general paper bags and all customized boxes. Driven by a commitment to quality and innovation, we recognized the potential to expand our horizons beyond local markets. Over the years, we have grown tremendously, evolving into a trusted name in packaging solutions nationwide and globally. Today, with our dedicated and talented team based in Mumbai, we continue to redefine industry standards by delivering creative, sustainable, and high-quality box-making solutions. Whether it's for food, gifts, or unique customized needs, our boxes are designed to provide practicality, aesthetics, and durability, catering to clients from various sectors worldwide. Our story is a testament to the power of vision and persistence, and we take pride in every product we create—each one representing our journey from a small local team to a global packaging powerhouse.
